connecting quality and design

Maestoso - [ma.e'sto:zo] adj. Majestic , bold

With an endless supply of raw veneer from our sister company Brogan Wood Products, we can offer a fully finished panel product, perhaps with a wood edge (waterfall grain of course) or perhaps with a metal edge, any of which are completely ready for installation. Our substrates are standard FSC / NAUF. Our capability to customize your panels using any wood, at any size, and with any edge detail you require, are what makes this product special.

Bold and Majestic, this is Maestoso, this is our brand.
