

Stars in Squares: In celebration of our Independence Day, Intermezzo LLC presents a limited edition **FOTOicons** print we call Stars in Squares. Happy 4th of July 2011!

Intermezzo LLC has joined with renowned photographer Todd Weinstein to create digitally printed photographs laminated in glass. As their name suggests, **FOTOicons** are icons inspired by architecture and nature. Our library includes works assembled over decades. Abstract images are also available. For more information, please call or email. We look forward to hearing from you.

As shown in two pieces of 1/8th-inch laminated standard glass, with highlighted back interlayer. A multitude of options are available.
