Cherry Veneer in Log Form

Natural Wood Veneer

Our foundation is built on the production of hardwood veneer, its uses and its value as one of our most precious natural materials.

Mr. Brogan's history in the hardwood veneer industry makes Brogan Wood Products a premier source for standard as well as specialty hardwood veneers. Our focus is to provide our clients with truly exceptional examples of the fingerprints of nature. Brogan Wood Products is certified to standards of FSC® for Chain of Custody as well as Controlled Wood.
